

We are the leading company in the Nordics & the Baltic countries who can accelerate your Industry 4.0 transformation by bringing together people, manufacturing industry best practices and cutting-edge technology - from ideation, design, and manufacture to service and disposal.

We are a company with heritage in designing, building, and deploying end-to-end solutions for PLM, MES, MOM and beyond with world's leading Siemens technology portfolio. Established in 1992, IDEAL has grown to Nordic & Baltic leader and largest European partner in the Siemens ecosystem.

We are known for our unmatched expertise leading to long partnerships and high satisfaction of our clients - in other words we bring a *customer for life* attitude. We proudly serve over 400 customers from large enterprises to fast growing start-ups.
